Asset & Wealth Management: The Sustainable Investing Group (“SIG”), a Goldman Sachs platform for direct equity investing in private markets, seeks to play a critical role in investing in climate transition and inclusive growth-related opportunities. SIG brings decades of experience, a strong investment track record, and a proprietary Corporate Network leaders from global corporations, all supported by the broader resources of Goldman Sachs. The Horizon Environmental & Climate Solutions fund is a growth-oriented private equity strategy that seeks to invest in key sectors focused on the environment and climate transition.

## Responsibilities

You will play an instrumental role on the Investment team, working as part of deal teams in order to source, evaluate and structure investments. You will be given significant responsibility across the full deal lifecycle, and be exposed to high-profile transactions within a growing, entrepreneurial business. Responsibilities include:

- Spearheading all aspects of due diligence and analysis of potential investments
- Leading detailed financial modeling to support investment decision making
- Developing investment and impact theses for new market and opportunities
- Drafting investment memoranda and presenting to the Investment Committee
- Supporting portfolio management and operational uplifts at the portfolio company level

## Qualifications

- Strong analytical and financial modeling skills
- Passion for impact investing, particularly in the target sectors: climate transition: clean energy, sustainable transport, sustainable food & agriculture, waste & materials, ecosystem services
- Excellent verbal and written communication skills
- Flexible, creative and entrepreneurial mindset
- Ability to manage multiple projects
- Ability to interact and build relationships with a wide variety of people

## Salary Range

The expected base salary for this New York, New York, United States-based position is \$150000-\$225000. In addition, you may be eligible for a discretionary bonus if you are an active employee as of fiscal year-end.

## Benefits

Goldman Sachs is committed to providing our people with valuable and competitive benefits and wellness offerings, as it is a core part of providing a strong overall employee experience. A summary of these offerings, which are generally available to active, non-temporary, full-time and part-time US employees who work at least 20 hours per week, can be found [here](#).

## About Goldman Sachs

At Goldman Sachs, we commit our people, capital and ideas to help our clients, shareholders and the communities we serve to grow. Founded in 1869, we are a leading global investment

and the communities we serve to grow. Founded in 1869, we are a leading global investment banking, securities and investment management firm. Headquartered in New York, we maintain offices around the world.

We believe who you are makes you better at what you do. We're committed to fostering and advancing diversity and inclusion in our own workplace and beyond [JN1] by ensuring every individual within our firm has a number of opportunities to grow professionally and personally, from our training and development opportunities and firmwide networks to benefits, wellness and personal finance offerings and mindfulness programs. We're committed to finding reasonable accommodations for candidates with special needs or disabilities during our recruiting process. Learn more:

## We Offer Best-In-Class Benefits

## Healthcare & Medical Insurance

We offer a wide range of health and welfare programs that vary depending on office location. These generally include medical, dental, short-term disability, long-term disability, life, accidental death, labor accident and business travel accident insurance.

## Holiday & Vacation Policies

We offer competitive vacation policies based on employee level and office location. We promote time off from work to recharge by providing generous vacation entitlements and a minimum of three weeks expected vacation usage each year.

## Financial Wellness & Retirement

## FINANCIAL WELLNESS & RETIREMENT

We assist employees in saving and planning for retirement, offer financial support for higher education, and provide a number of benefits to help employees prepare for the unexpected. We offer live financial education and content on a variety of topics to address the spectrum of employees' priorities.

## Health Services

We offer a medical advocacy service for employees and family members facing critical health situations, and counseling and referral services through the Employee Assistance Program (EAP). We provide Global Medical, Security and Travel Assistance and a Workplace Ergonomics Program. We also offer state-of-the-art on-site health centers in certain offices.

## Fitness

To encourage employees to live a healthy and active lifestyle, some of our offices feature on-site fitness centers. For eligible employees we typically reimburse fees paid for a fitness club membership or activity (up to a pre-approved amount).

## Child Care & Family Care

We offer on-site child care centers that provide full-time and emergency back-up care, as well as mother and baby rooms and homework rooms. In every office, we provide advice and counseling services, expectant parent resources and transitional programs for parents returning from parental leave. Adoption, surrogacy, egg donation and egg retrieval stipends are also available.
